## Fees & Costs

- League fees are **per team**, not per player.
  - Costs vary by age group and depend on uniforms, equipment, roster size, sponsorships, and fundraising.
    - Coaches handle team finances.
  - MBI hosts a **Spring raffle fundraiser** to help reduce costs.
- 

## Equipment

- Check with your Coach before buying equipment.
  - A properly-fitting **glove** is usually the first essential item.
  - We suggest you **do not buy a bat** until your child's size/weight is confirmed.
- 

## Team Placement

- After registration, player information is shared with coaches filling rosters on a first come first serve basis. Coaches contact families directly.
  - **Haven't heard from a coach yet?** Often, we need more volunteer coaches. Volunteering as a coach can speed up player placement, and we provide full support for new coaches.
- 

## Contacts

- **First contact:** Your Head Coach.
- **Next:** Your age-appropriate League Commissioner, then the appropriate VP.
  - Instructional Leagues (T-Ball & Coach-Pitch)
    - Minor Leagues (9U–12U)
    - Major Leagues (13U–18U)
- **Last:** If you are still not provided the answers needed, please contact the Vice President and copy the President in the email.

**Please follow the proper channels before contacting the VPs. They will ask if you've first reached out to the appropriate point of contact and may redirect you back so the issue can be handled at the correct level. We're all here to help, but it's important to address concerns through the proper chain of communication.**
